FRAME DESIGN

With its lightweight and durable ALUXX aluminium frame and upright flat bar positioning, Alight City is comfortable enough for a daily commute, but also agile and sporty for longer rides. Women's specific geometry and sizing gives Alight City a stable, confident ride quality. Equipped with racks and mudguards Alight City is your weapon against congestion.

Specifications and availability subject to change without notice.

*Seat angle is actual

**Tuptube is measured from the centre of the headtube horizontally back to the top of the effective extension of the seattube

***Standover height is based on the largest size tyre that will fit the bike, not necessarily the included size tyre
