TYRES	Giant P-SL 1, Front and Rear Specific, 700x25mm Folding

## FRAME DESIGN

Light and lively on the climbs and supremely confident on the descents, this versatile endurance road bike will help you cover more miles with confidence and ease. An Advanced grade composite frame features the latest in lightweight endurance geometry and its special carbon lay-up is tuned specifically for how women ride. The D-Fuse seatpost reduces road vibration, keeping your legs fresh for more miles. Disc brake technology gives you confidence and control in variable weather, even on wet roads. Other features include the OverDrive steerer tube for precision steering and a PowerCore bottom bracket for pedalling efficiency.

## FEATURES

- Frame: Advanced-Grade Composite, Electronic Ready
- Fork: Advanced-Grade Composite, Hybrid OverDrive Steerer
- Drivetrain: Shimano Tiagra 20 speed
- Brakes: Shimano BR-RS405 hydraulic disc brakes, 160mm rotors

Specifications and availability subject to change without notice.

\*Seat angle is actual

\*\*Top tube is measured from the centre of the headtube horizontally back to the top of the effective extension of the seat tube

\*\*\*Standover height is based on the largest size tyre that will fit the bike, not necessarily the included size tyre
