FRAME DESIGN

Built with a lightweight ALUXX aluminium frame that's designed for smooth-rolling 700c wheels, Escape is a fun, efficient ride that's versatile enough for city streets or country roads. Its upright, stable geometry and wide range of gears gives it a sporty feel for dedicated fitness riders. Its neutral, upright positioning makes it a great choice for navigating city streets or crowded bike paths. Whatever road or path you choose, Escape is an adventure companion that you can always count on.
