FRAME DESIGN

Whether you end up on pavement or trails, Rove is game, so you can relax knowing your bike is capable for any adventure. Featuring plenty of frame clearance for knobby tyres, a low-rise handlebar and a wide range of gears, this bike is a confident choice for weekend exploration. When the road gets rough, front suspension absorbs bumps to ensure a comfy ride on any terrain.

Specifications and availability subject to change without notice.

*Seat angle is actual

**Tuptube is measured from the centre of the headtube horizontally back to the top of the effective extension of the seattube

***Standover height is based on the largest size tyre that will fit the bike, not necessarily the included size tyre
