FRAME DESIGN

Whether you're attacking the field or battling for your own personal record, TCR Advanced Disc is engineered to give you total confidence in all types of conditions. Designed with Compact Road geometry and constructed with Advanced-grade composite, TCR Advanced delivers class-leading efficiency. The Variant seatpost blends efficiency and compliance for a race-tuned ride quality so you can hammer out more miles. With all-new disc brake integration, including 12mm front and rear thru-axles, it's a performance road machine for any weather and all types of conditions.
